Sammlerstücke

Rewrite your future

Montegrappa

Die erste italienische Manufaktur für hochwertige Schreibgeräte fertigt bis heute in Bassano del Grappa im gleichen Gebäude, in dem die Firma im Jahr 1912 gegründet wurde.

Montegrappa wurde zur bevorzugten Marke bedeutender Schriftsteller, u.a. Ernest Hemingway, John DosPasos oder Paulo Coelho. Neben der Handwerkskunst ist dies eine weitere Tradition, die zu Montegrappa gehört. Heute sind Montegrappas Produkte aber noch weit mehr: Kunst- und Sammlerobjekte sowie Accessoires zum Unterstreichen der eigenen Persönlichkeit.

Sammlerstücke

Mit einer einzigartigen Mischung aus gelebter Tradition, Vision sowie Innovation und Kreativität entstanden bei Montegrappa unter Verwendung alter Handwerkstechniken wahre Präziosen. In dieser Broschüre finden sich viele dieser exklusiven Schmuckstücke – gemacht, um Menschen zu begeistern. Lassen Sie sich inspirieren!

Connoisseur

The Cult of Limited Editions.

When one's appreciation for fine writing instruments turns into a passion the pride of ownership inherent in a limited edition becomes irresistible – Montegrappa satisfies the desire with exclusive artisan models inspired by true greatness.

Bespoke

**Facile da spiegare,
difficile da realizzare.**

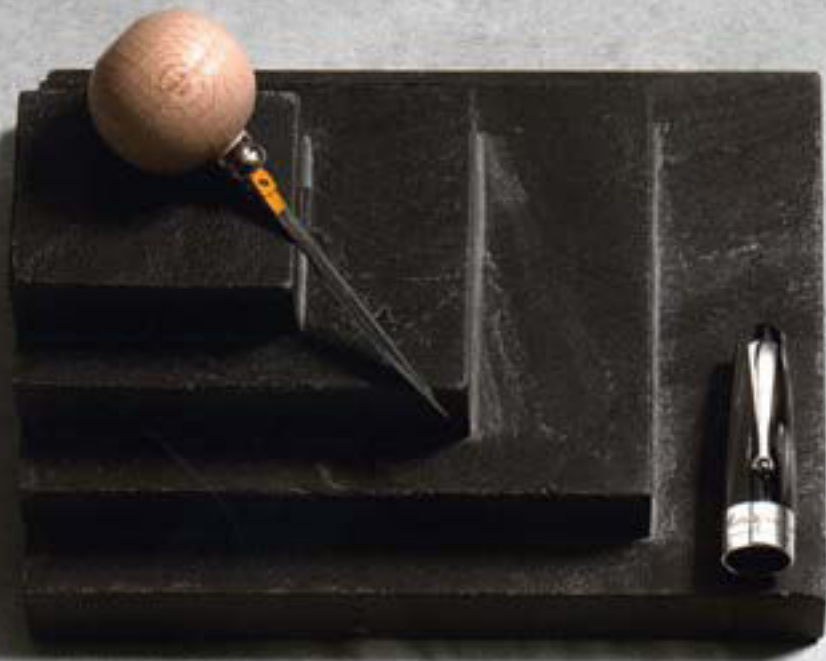

In Montegrappa possiamo contare su un'esperienza di oltre 100 anni di capacità artigianale sovrannata. Oggi abbiamo il piacere di presentare un servizio che renderà la vostra penna Montegrappa ancora più speciale ed esclusiva.

Abbiamo riunito i migliori incisori d'Europa per tradurre i vostri desideri in immagini su metalli preziosi. Il disegno da voi scelto verrà inciso ad opera d'arte sul corpo della penna. Avrete inoltre la possibilità di scegliere il colore della celluloida per la vostra penna da un'ampia palette cromatica.

Un oggetto, nel vero senso della parola, unico al mondo.

**Easy to define,
challenging to realise.**

At Montegrappa, we enjoy over 100 years' experience in the use of artisan skills. Today, we offer again a special service that will ensure your Montegrappa pen is unique – to you. We have assembled the finest engravers in Europe to translate your desires into images in precious metal. We match each design to a pen that will complement and showcase the engraving, the client selecting from a broad palette of colours in our range of celluloid barrels. It is, literally, like no other pen on earth.
