

# LeBit 365 Apps

## Work together with Multi-Language Accountants

### Multi-Language for GL Account and Account Schedule

International accounting and national needs? No discrepancy with LeBit Business App! Define for each G/L-account the name and meaning in every language. Each accountant can register and post in his preferred language. So you can simplify day-to-day work in accounting. Speed Up your reporting in different languages. Just switch of the reporting language and your balance notifications and account forms were printed with account names, which your recipient can understand.

NO.	NAME	MULTILINGUE DESCRIPTION	NET CHANGE	BALAN
0000	Kontenplan SKR03	Chart of accounts SKR03	-

## About "LeBit Software & Consult"

LeBit has been a competent partner of Sage Software GmbH and a Microsoft Gold Partner for many years. we combine with the complete solution "LeBit Industrial Solution" all components that industrial companies and service providers need to professionally map their business processes in an ERP system.

With the modules of LeBit Industrial Solutions, industrial users can plan, map and control processes in accounting, merchandise management, human resources, production, maintenance and project management far beyond the standard functions of Microsoft Dynamics.

The LeBit 365 Apps extend Microsoft Dynamics Business Central with important features in the future.
