ABOUT ME

I'm Lucía, a multilingual governess and childcare provider with a traveler's soul and a maternal heart.

After years of international experience in customer service, early childhood education and public relations, I found my true calling in providing loving, personalized care to little ones.

I firmly believe that every child deserves to be treated with tenderness, respect, and individual attention.

My goal is to create a safe, joyful, and stimulating environment where every shared moment becomes an experience of growth and affection.

With a diverse professional background and solid training, I offer reliable, flexible babysitting with an educational touch—whether in villas, hotels, boats, or private homes.
