

Wilhelm Haas along with Eduard Pfeiffer, Victor Aimé Huber, Karl Korthaus, Hermann Schulze-Delitzsch and Friedrich Wilhelm Raiffeisen is one of the leading founding fathers of the German cooperative system.

He, along with Raiffeisen, is seen as the most important protagonist of the German and international agricultural  cooperative organisation and celebrated his 200<sup>th</sup> birthday in 2018.

As a „hommage“ to the founding fathers we gave our bistro the name „Wilhelm“ and welcome you!
