**CITY OF LAKE VIEW
PROCLAMATION
BY MAYOR ADRAIN DUDLEY**

WHERE AS in response to the proclaimed existence of a state of emergency issued by Alabama Governor Kay Ivey, based on the imminent threat of Tropical Storm Isaias, which has now strengthened into Hurricane Isaias, with the potential to make landfall and potential flooding and other effects in our area, all local emergency authorities should begin their next steps and procedures necessary to support an effective response in the event of emergency.

As there is the potential for flooding, down trees, and other emergency response issues in our area, should begin to prepare to respond in as flexible and dynamic way as is possible as the situation progresses. We must remain aware of the weather and situation as they progress and change.

This emergency proclamation shall remain in effect for the duration of the Alabama State of Emergency.

Adrain Dudley, PhD
