CHRISTMAS AT BRAKES
WHAT'S THE STORY FOR 2019 – FREE-FROM

The need for the restaurant industry to cater to the growing number of vegetarians, flexitarians and vegans has led to the development of a range of meat-free alternatives.

MORE

Find our large selection of **free-from products** chosen just for Christmas from **page 11**

Vegetarian Society Cookery School Manager Sam Platt says restaurants should avoid relying on classics when it comes to catering for non-meat eaters.

“With a recent report* suggesting one-third of UK adults had reduced or stopped their meat consumption, it’s important to keep up with trends. Maximising sales over the festive period is a must for caterers.”

“By making sure you look after your veggie and vegan customers you’ll be nurturing repeat business for next year. Offering better veggie options will attract more group bookings. It’s common for a group to make sure the veggies and vegans will be well catered for before they book a table. If restaurants don’t improve their offering, they could lose out on not only veggie and vegan customers but their friends, colleagues and families too.”

Vegetarian and dairy-free options are also no longer solely for vegetarians and vegans. As consumers grow more health-conscious, meat-free alternatives provide the ideal opportunity to offer a menu that is appealing to everyone.

❻ M&J Seafood Medium Tuna Suprêmes (skinless, boneless)

F 31711 12 x 140-170g nett

Skinless and boneless suprêmes to save on preparation time. Individually frozen to minimise waste. With a firm and rich flesh, tuna – although oily – is the most meaty of fish. It works particularly well seared in Mediterranean or Asian dishes, but avoid baking as it can dry out

❼ M&J Seafood Seabass Fillets

F 32750 10 x 99-126g nett

A sweet, white, textured fish, seabass makes a great menu hero or 'specials board' addition

❽ M&J Seafood Sea Bream Fillets

F 103607 10 x 99-127g

Another great menu hero, sea bream has a slightly firmer texture than seabass

❹ Blue Marlin British Monkfish Chunks

F 120726 1 x 2kg (20-40g)

British monkfish tail cut into 20-40g chunks. Monkfish has a firmer texture to cod/haddock and performs well in an array of dishes. Try using in curries for a main, or wrapping with Parma ham and roasting for a fantastic starter

❿ M&J Seafood Fruit De Mer (Premium Shell-on Seafood Mix)

Lobster has never been so easy to prepare from scratch. These whole raw lobsters are meticulously graded for consistent serving size, and available individually so even smaller kitchens can easily defrost as required to minimise waste. Available year-round to enable menu continuity. Suitable for grilling, blanching, sautéing and butter-poaching

❶ Arctic Royal Cooked Seafood Selection

F 126884 1 x 800g nett

Ready-to-eat selection of mussel meat, squid rings and king prawns. Ideal for use in pasta dishes for low skill kitchens, simply re-heat from frozen

M&J Seafood Black Tiger King Prawns (raw, peeled, deveined)

F 31235 1 x 1kg (21-30/lb)

Black Tiger king prawns, recognisable by the tail's black stripe which turns pink on cooking. Delivered tail-off and ready to cook from frozen. In freeflow bags to enable waste to be minimised. Larger in size and subtler in taste than ready-to-eat prawns, king prawns are commonly used in hot Asian dishes such as stir-fries and curries – or simply fried in hot garlic butter

❶ M&J Seafood ASC King Prawns (raw, peeled, deveined, tail off)

F 114100 1 x 1kg nett (31-40/lb)

We've raised the bar with this premium quality, first-for-foodservice, ASC-accredited king prawn. These prawns are additive-free so they'll retain their impressive size when cooked and give a wonderful, succulent bite. Delivered raw, peeled, deveined, tail-off and ready to cook from frozen. In freeflow bags to minimise waste

M&J Seafood Medium Cold Water Prawns (cooked & peeled)

F 30814 1 x 1.5kg nett (175-275/lb)

Medium size prawns. Cost-effective, these are our best-selling ready-to-eat prawns

Blue Sea Potted Crab Mix

F 114835 1 x 400g

This smooth, spreadable pâté mix of British crab with butter and cream cheese contains equal amounts of sweet and delicate white crab meat and rich, flavoursome brown meat. Easy to use – just thaw and serve from a decantable container to assist with portion control and minimise waste

Crayfish Tails (cooked)

F 34464 1 x 1kg (100-200lb)

Ready to thaw and serve. A great alternative to prawns, crayfish can be served in the same way – in sandwiches, salads and jacket potatoes. Cooked and peeled

❶ Eastern Fisheries MSC Scallops

F 33004 1 x 1kg (20-40)

These premium, roeless Atlantic scallops – from MSC-certified fisheries – are fished in high-yield waters, meaning 'full catch' levels are reached more quickly, and scallops retain optimum freshness. Scallops are a true menu hero. Steam, fry or grill them gently and for a short time to maintain their taste and texture

TABLEWARE

Christmas 2019 brings a new and improved range for your festive tableware. We have joined with Tom Smith, a global brand of Christmas greeting products, to bring you a new range of crackers with designs ranging from traditional to modern and art deco themes featuring on-trend colours, and are the perfect accompaniment to any Christmas banquet.

This new range complements a refreshed tableware collection from Duni. The following pages illustrate these themes with selected crackers, and on pages 66-67 we have combinations of tableware and crackers in a special buying guide.
