TABLEWARE

Our festive tableware range for Christmas 2020 has elements of the success of last year and some new additions to help give your customers a truly magical dining experience. We have joined up again with Tom Smith a global brand of Christmas greeting products, to bring you modern and art deco themes featuring on-trend colours to warming traditional designs.

To complement the breadth of range available this year we have again refreshed our tableware collection from Duni. The following pages illustrate the themes with selected crackers, and on pages 70–71 we have combinations of tableware and crackers in a special buying guide.

TABLEWARE BY DUNI

Duni is an ever-present inspiring brand creating a good food mood where people meet and eat – a supplier of attractive and convenient products for all kinds of table settings and take-away.

This year's Duni Christmas collection brings more of the classic festive motifs, uniting warm seasonal colours, comforting tactile surfaces and glittering sparkly touches. It is all about the feel-good factor, offering designs for all occasions inspired by luminous celebrations, and sweet traditions with a nature feel.

CRACKERS BY TOM SMITH

Tom Smith is the premium house brand of IG Design Group UK Ltd. Tom Smith was the originator of the cracker, first developed in 1840. It has been part of British Christmas heritage ever since.

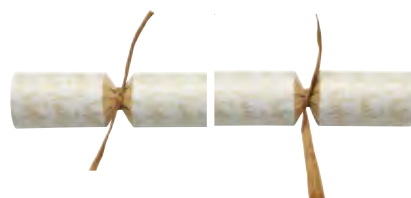

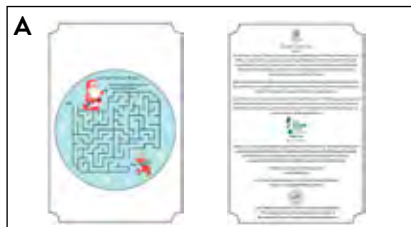

The brand is built on this wealth of experience, and the 2020 collection covers a variety of contemporary and traditional trends that include winter sparkle silver tones and metallic art deco. All designs will appeal to a wide range of consumer tastes.
