Walled Lake Women's Water Polo

Head Coach: Claire Bartosic Email: claire.bartosic@gmail.com Phone: (203) 803-7710

Assistant Coach: Sean Collins
Email: seanandrewcollins@gmail.com

Phone: (248) 881-2830

Welcome to the 2022 Women's Water Polo Season!

Coach Sean and I are very excited for another great year of Cobras water polo!

Our first day of practice will be Monday, March 14th. We will be practicing from 5:30-8pm Monday through Friday at Walled Lake Central High School. Please arrive promptly (maybe even a few minutes early) so we can get started right at 5:30pm every day. The District Tournament is Friday, May 13th - Saturday, May 14th and Regional Tournament is Friday, May 20th - Saturday, May 21st. We will plan to practice through Friday, May 27th unless we qualify for States in which case that will be held Friday, June 3rd - Saturday, June 4th.

Please be sure to read through this packet thoroughly so that we all have the same understanding of the policies and expectations for all members of this team. My biggest goal for the team this year is to foster a positive learning environment where everyone can grow as a person, a player, and as a team. Water Polo is an incredible sport and I cannot wait to share it with all of you.

If anything comes up during the season that affects players in any way, please do not hesitate to reach out to me so that we can work together to ensure players are able to be the most successful students, athletes, and people they can be.

Water Polo might be a new sport to many, I encourage parents and players to review the following links to learn more about the game. If you are a parent interested in further resources, please let me know and I can provide them. The players will be receiving resources throughout the season from me to help with their development and understanding of the game.

Please be sure to scan and complete the form linked with the QR code below.

Claire & Sean

General Expectations/Policies

- Team fee is paid (\$375 for high school/\$250 for 8th graders)
- Athletes will display respectful behavior towards teammates, coaches, and anyone on the pool deck.e
- Athletes will follow all COVID-19 related protocols. follow all COVID-19 related protocols.
- Team members are expected to attend ALL games and tournaments throughout the season.
 During the game, team members are expected to be actively engaged on the bench paying attention to the game and cheering on teammates.
- Eligibility reports are published on Monday by the school, if an athlete is ineligible when the report is populated, they will be ineligible until the following Monday.
- Athletes are expected to conduct themselves in and out of school/team functions in a manner that promotes team unity, and a positive image for the team and their schools.
- If an athlete suffers an injury they will not be allowed to return to practice or games until the trainer or a doctor explicitly says that they can. A written note MUST be obtained in order to return to play and any and all restrictions or precautions pertaining to play will be adhered to.
- Athletes are expected to abide by the law and the Walled Lake Student Code of Conduct. Inappropriate or unsafe behavior will NOT be tolerated in or out of the pool.
- Team members will NOT participate in underage drinking, smoking, or use of drugs of any kind at any time. This includes vaping. Violations will be handled under the provisions set out under the Walled Lake Athletic Code of Conduct.
- If you have a conflict with any other member of the team or coaching staff and it cannot be resolved directly with that individual, please contact Coach Claire and we will set up a meeting and create a plan to resolve the issue with all parties.
- All athletes must be able to swim at 50 yards of uninterrupted freestyle in order to be a member of the team.

Practices

- Athletes are NOT allowed on the pool deck unless there is a coach on deck.
- Practices will start daily at 5:30pm until 8pm.
- Players must arrive on time dressed in athletic clothes with sneakers as dry lands will be for the first half hour of practice every day. Tardiness will not be tolerated.
- Players are expected to have a suit, cap, goggles, and a water bottle every day as well.
- Practice is mandatory and if there is a situation where practice must be missed a written and signed note must be provided by the parent at least 48 hours in advance unless there is an emergency situation in which case please email or call Coach Claire as soon as possible.
- All players are expected to help set up the pool before practice (lane lines out, goals in) and put it back after practice (lane lines in, goals out). No one is to leave practice until all equipment is put away.

Games

- Team members will attend all games unless there is an academic school function, you have an illness, or there is an emergency situation that conflicts.
- Athletes must wear their team cap (provided for you) and suit.
- Athletes are to be on deck promptly before games at the time provided by coach Claire in her weekly emails and on the google calendar.
- Most dual games will have two games per night, one JV and one Varsity. We will usually play
 Varsity first. All athletes are expected to be in attendance for both games and most likely play in
 both games as well.
- Athletes will comply with all Michigan Water Polo Association rules and regulations at all times during play.
- Communication with the referee during a game is between the coach and the referee only.
- Playing time, starting line up and substitutions will be at the discretion of the coach.

Game Schedule

These are subject to change and more games will likely be added. Please refer to the google calendar for the most up to date information.

Date/Time Wed. 3/23 6:30pm	Opponent Saline	Location Home (Walled Lake Central)
Thurs. 3/24 6pm	AA Huron	Away (AA Huron)
Wed. 4/6 6pm	Grand Blanc (District Game)	Away (Grand Blanc)
Tues. 4/12 6pm	Seaholm (District Game)	Away (Seaholm)
Mon. 4/18 6pm	Dexter	Away (Dexter)
Thurs. 4/21 6pm	Lake Orion	Home (Walled Lake Central)
Sat. 4/23 TBD	Chelsea Tournament	Away (Chelsea)
Wed. 4/27 6pm	Groves (District Game)	Home(Walled Lake Central)
Mon. 5/2 6pm	Dexter	Home (Walled Lake Central)
Wed. 5/4 6pm	Troy (District Game)	Home (Walled Lake Central)
Tues. 5/10 6pm	Chelsea	Home (Walled Lake Central) *Senior Night
Fri./Sat. 5/13 - 5/14 TBD	District Tournament	Away (Seaholm)
Fri./Sat. 5/20 - 5/21 TBD	Regional Tournament	Away (Huron Fri. Pioneer Sat.)

Varsity Letter Requirements

Earning a Varsity Letter in any sport indicates a certain level of achievement. An athlete should not be rewarded with a Letter by simply joining a team or paying a fee. To earn a Varsity Letter in Water Polo, team members will need to meet the following requirements:

- Displays hard work and concentration at practice
- Consistent improvement in water polo skills throughout the season
- Attending 85% of all team practices, and absences are excused
- Attending 100% of all games (unless you have made a prior arrangement with the coaches due to a family emergency/crisis)
- Having played in at least 1 Varsity game
- Participating in fundraisers and team activities and earning 5 or more spirit points

Spirit Points

- Participating in fundraisers (1 point per fundraiser participation dates TBD)
 - o Can Drive
 - Car Wash Fundraiser
- Game Achievement Stickers (1 point for every)
 - 1 sticker per goal scored
 - 1 sticker per assist
 - 1 sticker per 3 steals
 - 1 sticker per 3 blocks (goalie and field players)
- Earning a team award at the end of the season
 - MVP Award
 - Coachability Award
 - Defensive Player of the Year
 - Offensive Player of the Year

Please review and sign all forms in this packet and return them to Coach Claire by Monday, March 14th. You will NOT be able to participate until all forms have been completed and returned.

- A CURRENT PHYSICAL (Must be dated on or after April 15th, 2021)
- CONCUSSION PAPERWORK
- ATHLETIC PRIVATE TRANSPORTATION FORM
- RULES ACKNOWLEDGEMENT AND VARSITY LETTER CRITERIA
- NCAA ACKNOWLEDGEMENT FORM (PLEASE ONLY COMPLETE THE ONE FOR YOUR HIGHSCHOOL)
- STUDENT-ATHLETE/PARENT CONTRACT

Walled Lake Consolidated School District

Educational Services Center 850 Ladd Road, Building D Walled Lake, Michigan 48390

Phone: (248) 956-2000 - Fax: (248) 956-2145

Dear Parents:

WALLED LAKE CONSOLIDATED SCHOOLS DOES NOT CARRY HEALTH OR ACCIDENT INSURANCE FOR STUDENTS. If your child is injured while at school, medical costs are the responsibility of the parents and/or guardians.

As a service to students and their families, our District is making available a student accident insurance plan for your child at a very nominal cost. The District offers this program because of trends in rising family health and dental insurance costs, increased deductibles, co-payments or lack of health or dental insurance coverage.

REASONS TO PURCHASE THIS COVERAGE:

- 1. Deductible and co-pays in your health plan. Many health plans have increased the amount of out-of-pocket expenses.
- 2. No insurance.

This plan will provide benefits for medical expenses incurred because of an accident. If you have other insurance, benefits can be applied to your deductible or co-pay. If you have no other insurance, this will become your primary accident plan.

TO PURCHASE COVERAGE ONLINE (by Credit/Debit Card) go to: https://www.1stagency.com/voluntaryaccidentcoverage.htm Follow directions by choosing STATE and SCHOOL DISTRICT. Visa or MasterCard are accepted.

OR

TO PAY WITH CHECK OR MONEY ORDER, PRINT BROCHURE PDF from the District's website at http://wlcsd.org/parents/annual-parent-notifications/ or from First Agency's website at https://www.1stagency.com/voluntaryaccidentcoverage.htm.

All questions regarding this coverage should be directed to First Agency, Inc., at (269) 381-6630 or toll free at (800) 243-6298.

We are pleased to make this student accident insurance plan available.

Thank you.

Cell: (248) 917-3590

Athletic Training Coordinator: Alissa Kern MS ATC PTA

Email: atcc@plymouthpts.com

Cell: (248) 760-8843

Athletic Trainer: Mairead Brown Email: wlc atc@plymouthpts.com

Cell:(210) 317-7495

Physical Therapist: Nicole Ramos PT, DPT, Cert. MDT, FAFS

Email: commerce@plymouthpts.com

Responsibilities of the Student Athlete

- 1. Be honest with the athletic trainer
- 2. Report all illnesses and injuries with in 48 hours
- 3. Follow the treatment and rehabilitation plan given to you by your physician, physical therapist and/or athletic trainer
- 4. Report to the athletic training room daily, or as directed, for treatment or rehabilitation until you are cleared by the athletic trainer, physical therapist or physician

Pre-Participation Exams and Paperwork

The student athlete will not be allowed to try out, practice, or compete until a copy of the physical exam and parent consent forms are signed by a parent/guardian and on file in the athletic director's office.

In The Event of an Injury

At WLC

Athletic injuries that occur at your school should be reported to the athletic trainer and athlete's coach as soon as the athlete realizes they are injured. If the athlete is injured during school hours, they should report the injury to the office and other appropriate personnel.

The athletic trainer will evaluate the injury and based on that evaluation make a decision on the most appropriate care. In most cases the injuries are minor and the athlete can be treated in the athletic training room. If the injury is more severe or requires further evaluation by a physician or PT the athlete's parent/guardian will be contacted by the athletic trainer and provided with information about the injury. The athletic trainer can help recommend a physician and help with getting appointments.

It is essential that ALL athletic injuries be reported to the athletic trainer when they occur

On the Road...

If an athlete is injured on the road they will report the injury to his/her coach then to your athletic trainer as soon as possible.

If the host school employs an athletic trainer, the coaching staff may have the athlete examined by the host athletic trainer. They will most likely provide basic care and refer the athlete back to your athletic trainer. The athlete should report to the athletic training room after school the next day to be seen by your athletic trainer. In the case of a severe injury, the parents will be contacted directly from the site and consulted about the problem. The coach and/or parents are responsible for notifying the athletic trainer as soon as possible about the injury.

Questions from home...

If you are concerned about an injury that your child suffered during athletics, <u>PLEASE CALL OR EMAIL THE ATHLETIC TRAINER</u>.

If an injury which appears minor one day becomes more bothersome the next day, please call the athletic trainer so they can assist you in the next steps. It is always your right as a parent to seek further medical care for your child if you have any doubts as to the seriousness of his/her injury. It is strongly recommended that you contact the athletic trainer before taking your child to the physician. Often, the athletic trainer can eliminate unneeded waiting time and have your child seen in a timely fashion.

Anytime you take your child to a physician for an athletic injury you need to obtain in writing the doctor's instructions for treatment and return to play guidelines for the athletic trainer to appropriately (and legally) treat your child.

YOUR CHILD MAY NOT RETURN TO PLAY WITHOUT A WRITTEN RELEASE

FROM THE PHYSICIAN.

Physical Therapy Services

Plymouth Physical Therapy Specialists is the official sports medicine provider for the Walled Lake Schools. Our physical therapists will be on site for injury clinics throughout the year. Free consults and same day evaluations are always available. If for any reason you can not get a hold of your athletic trainer, please contact our athletic training coordinator or call our office. Nicole Ramos is the director of our Commerce location and will be the primary PT with your school.

The Commerce location is located at: 8896 Commerce Rd Commerce Township, MI 48382 (248) 363-2115

Head Injury Services

Plymouth Physical Therapy Specialists has developed a relationship with a team of healthcare professionals and can facilitate appointments as needed. When a concussion occurs, notify the athletic trainer as soon as possible. The athletic trainer will contact these physicians to help set up an appointment in a timely manner. You must see a physician any time a concussion is suspected.

After seeing a physician and symptoms are gone, athletes will follow a 5 step return to play progression before being allowed to return to full activity.

Athletes must participate in a full contact practice before being allowed to play in a game.

MEDICAL HISTORY: Completed by Parent or Guardian or 18-Year-Old Student Name: Date of Birth: Doctor's Phone: Doctor: Date of Exam: - GENERAL QUESTIONS - MEDICAL QUESTIONS Has a doctor ever denied or restricted your participation in sports for any reason? Do you cough, wheeze or have difficulty breathing during or after exercise? Do you have any ongoing medical conditions? If so, please identify below: Have you ever used an inhaler or taken asthma medicine? □ Asthma □ Anemia □ Diabetes □ Infections □ Other: Is there anyone in your family who has asthma? Have you ever spent the night in the hospital or have you ever had surgery? Were you born without, or missing a kidney, eye, testicle (males), spleen or any other organ? - HEART HEALTH QUESTIONS ABOUT YOU Do you have groin pain or a painful bulge or hernia in the groin area? Have you ever passed out or nearly passed out DURING or AFTER exercise? Have you had infectious mononucleosis (mono) within the last month? Have you ever had discomfort, pain, tightness, or pressure in your chest during exercise? Do you have any rashes, pressure sores or other skin problems? Have you had a herpes or MRSA skin infection? Does your heart ever race or skip beats (irregular beats) during exercise? Has a doctor ever told you that you have any heart problems? Check all that apply: Do you have headaches or get frequent muscle cramps when exercising? ☐ High blood pressure ☐ Heart murmur ☐ Heart infection ☐ High cholesterol Have you ever become ill while exercising in the heat? ☐ Kawasaki disease ☐ Other: Do you or someone in your family have sickle cell trait or disease? Has a doctor ordered a test for your heart? (example, ECG/EKG, echocardiogram) Have you had any problems with your eyes or vision or any eye injuries? Do you get lightheaded or feel more short of breath than expected during exercise? Do you wear glasses or contact lenses? Do you wear protective eyewear such as goggles or a face shield? Do you have a history of seizure disorder or had an unexplained seizure? Do you get more tired or short of breath more quickly than your friends during exercise? Immunization History: Are you missing any recommended vaccines? - HEART HEALTH QUESTIONS ABOUT YOUR FAMILY Do you have any allergies? Has anyone in your family had unexplained fainting, unexplained seizures or near drowning? Have you ever had a head injury or concussion? Does anyone in your family have a heart problem, pacemaker or implanted defibrillator? Do you have any concerns that you would like to discuss with a doctor? Has any family member or relative died of heart problems or had an unexpected or unexplained sudden Have you ever received a blow to the head that caused confusion, prolonged headache or death before age 50 (including drowning, unexplained car accident or sudden infant death syndrome)? Does anyone in your family have hypertrophic cardiomyopathy, Marfan syndrome, arrhythmogenic Have you ever had numbness, tingling, weakness or inability to move your arms or legs right ventricular cardiomyopathy, long QT syndrome, short QT syndrome, Brugada syndrome or catecholaminergic polymorphic ventricular tachycardia? after being hit or falling? BONE AND JOINT QUESTIONS Have you ever had an eating disorder? Have you ever had an injury to a bone, muscle, ligament or tendon that caused you to miss a practice or a game? Do you worry about your weight? Have you ever had any broken or fractured bones, dislocated joints or stress fracture? Are you trying to or has anyone recommended that you gain or lose weight? Have you ever had an injury that required x-rays, MRI, CT scan, injections, therapy, a brace, a cast or crutches? Are you on a special diet or do you avoid certain types of foods? Do you regularly use a brace, orthotics or other assistive device? - FEMALES ONLY (Optional) Do you have a bone, muscle or joint injury that bothers you? Have you ever had a menstrual period? Do any of your joints become painful, swollen, feel warm or look red? How old were you when you had your first menstrual period? Do you have any history of juvenile arthritis or connective tissue disease? How many periods have you had in the last 12 months? Have you ever had an x-ray for neck instability or atlantoaxial instability (Down syndrome or dwarfism)? PARENT & ATHLETE CONCUSSION INFORMATION SHEET

WHAT IS A CONCUSSION?

A concussion is a type of traumatic brain injury that changes the way the brain normally works. A concussion is caused by a bump, blow, or jolt to the head or body that causes the head and brain to move quickly back and forth. Even a "ding," "getting your bell rung," or what seems to be a mild bump or blow to the head can be serious.

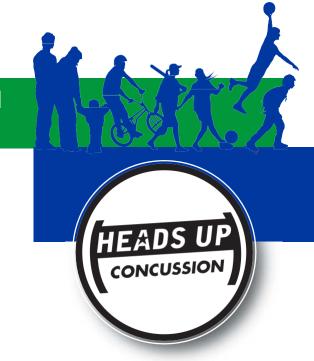

Signs and symptoms of concussion can show up right after the injury or may not appear or be noticed until days or weeks after the injury.

If an athlete reports one or more symptoms of concussion after a bump, blow, or jolt to the head or body, s/he should be kept out of play the day of the injury. The athlete should only return to play with permission from a health care professional experienced in evaluating for concussion.

DID YOU KNOW?

- Most concussions occur without loss of consciousness.
- Athletes who have, at any point in their lives, had a concussion have an increased risk for another concussion.
- Young children and teens are more likely to get a concussion and take longer to recover than adults.

SYMPTOMS REPORTED BY ATHLETE:

- Headache or "pressure" in head
- Nausea or vomiting
- Balance problems or dizziness
- Double or blurry vision
- Sensitivity to light
- Sensitivity to noise
- Feeling sluggish, hazy, foggy, or groggy
- Concentration or memory problems
- Confusion
- Just not "feeling right" or is "feeling down"

SIGNS OBSERVED BY COACHING STAFF:

- Appears dazed or stunned
- Is confused about assignment or position
- Forgets an instruction
- Is unsure of game, score, or opponent
- Moves clumsily
- Answers questions slowly
- Loses consciousness (even briefly)
- Shows mood, behavior, or personality changes
- Can't recall events prior to hit or fall
- Can't recall events after hit or fall

"IT'S BETTER TO MISS ONE GAME THANTHEWHOLE SEASON"

CONCUSSION DANGER SIGNS

In rare cases, a dangerous blood clot may form on the brain in a person with a concussion and crowd the brain against the skull. An athlete should receive immediate medical attention if after a bump, blow, or jolt to the head or body s/he exhibits any of the following danger signs:

- One pupil larger than the other
- Is drowsy or cannot be awakened
- A headache that gets worse
- Weakness, numbness, or decreased coordination
- Repeated vomiting or nausea
- Slurred speech
- Convulsions or seizures
- Cannot recognize people or places
- · Becomes increasingly confused, restless, or agitated
- Has unusual behavior
- Loses consciousness (even a brief loss of consciousness should be taken seriously)

WHAT SHOULD YOU DO IF YOU THINK YOUR ATHLETE HAS A CONCUSSION?

- If you suspect that an athlete has a concussion, remove the athlete from play and seek medical attention. Do not try to judge the severity of the injury yourself. Keep the athlete out of play the day of the injury and until a health care professional, experienced in evaluating for concussion, says s/he is symptom-free and it's OK to return to play.
- 2. Rest is key to helping an athlete recover from a concussion. Exercising or activities that involve a lot of concentration, such as studying, working on the computer, and playing video games, may cause concussion symptoms to reappear or get worse. After a concussion, returning to sports and school is a gradual process that should be carefully managed and monitored by a health care professional.
- Remember: Concussions affect people differently.
 While most athletes with a concussion recover
 quickly and fully, some will have symptoms that last
 for days, or even weeks. A more serious concussion
 can last for months or longer.

WHY SHOULD AN ATHLETE REPORT THEIR SYMPTOMS?

If an athlete has a concussion, his/her brain needs time to heal. While an athlete's brain is still healing, s/he is much more likely to have another concussion. Repeat concussions can increase the time it takes to recover. In rare cases, repeat concussions in young athletes can result in brain swelling or permanent damage to their brain. They can even be fatal.

NCAA Eligibility Guidelines

Walled Lake Central High School

Check list for College-Bound Student-Athletes

Register at the beginning of your junior year at www.eligibilitycenter.org

Ask your high school counselor to send your transcript to the NCAA Eligibility Center at the end of your junior year. Take the ACT or SAT and use the code "9999" to have your official scores sent directly to the NCAA Eligibility Center.

Check with your high school counselor to make sure you are on track to graduate on time with your class and have the required amount of core courses.

Request final amateurism certification during your senior year (beginning April 1).

Ask your high school counselor to submit your final transcript with proof of graduation.

Divisions I and II Initial-Eligibility Requirements

Core Courses

- NCAA Division I & II requires 16 core courses. See the charts below.
- For students enrolling on or after August 1, 2016, NCAA
 Division I will require 10 core courses to be completed
 prior to the seventh semester (seven of the 10 must be
 a combination of English, math or natural or physical
 science that meet the distribution requirements below).
 These 10 courses become "locked in" at the seventh
 semester and cannot be retaken for grade
 improvement
- Beginning August 1, 2018, to become a full or partial qualifier for Division II, all college-bound studentathletes must complete the 16 core-course requirement.
- Beginning August 1, 2016, it will be possible for a
 Division I college-bound student-athlete to still receive
 athletics aid and the ability to practice with the team if
 he or she fails to meet the 10 course requirement, but
 would not be able to compete.
- Visit the <u>www.eligibilitycenter.org</u> for addition information.

Test Scores

- Division I uses a sliding scale to match test scores and core grade-point averages (GPA). The sliding scale for those requirements is available at www.eligibilitycenter.org.
- Division II currently requires a minimum SAT score of 820 or an ACT sum score of 68. Beginning August 1, 2018, Division II will use a sliding scale to match test scores and core-course grade-point averages (GPA).
- The SAT score used for NCAA purposes includes only the critical reading and math sections. The writing section of the SAT is not used.
- The ACT score used for NCAA purposes is a sum of the following four sections: English, mathematics, reading and science
- When you register for the SAT or ACT, use the NCAA Eligibility Center code of 9999 to ensure all SAT and ACT scores are reported directly to the NCAA Eligibility Center from the testing agency. Test scores that appear on transcripts will not be used.

Grade-Point Average

- Be sure to look at your high school's List of NCAA Courses on the NCAA Eligibility Center's website (www.eligibilitycenter.org). Only courses that appear on your school's List of NCAA Courses will be used in the calculation of the core GPA. Use the list as a guide.
- Division I students enrolling full time before August 1, 2016, should use Sliding Scale A to determine eligibility to receive athletics aid, practice and competition during the first year.
- Division I uses a sliding scale to match test scores and core grade-point averages (GPA) (corresponding test-score requirements are listed on Sliding Scale B available at www.eligibilitycenter.org)
- The current Division II core GPA requirement is a minimum of 2.200. Division II core GPA required to be eligible for competition on or after August 1, 2018, is 2.200 (corresponding test-score requirements are listed on Sliding Scale B available at www.eligibilitycenter.org).
- Remember, the NCAA GPA is calculated using NCAA core courses only.

	DIVISION I 16 Core Courses		DIVISION II 16 Core Courses
4	years of English.	3	years of English.
3	years of mathematics (Algebra I or higher).	2	years of mathematics (Algebra I or higher).
2	years of natural/physical science (1 year of lab if offered	2	years of natural/physical science (1 year of lab if offered
	by high school).		by high school).
2	years of social science.	3	years of additional English, mathematics or
1	years of additional courses (from any area above)		natural/physical science.
4	foreign language or comparative religion/philosophy).	2	years of social science.
		4	years of additional courses (from any area above, foreign
			language or comparative religion/philosophy).

2021-22 NCAA Initial Eligibility Waiver

- As a student in Walled Lake Schools who plans to participate in collegiate sports, I understand and agree to abide by the rules and procedures indicated by the NCAA Eligibility Center.
- I have read and understood the NCAA Eligibility Guidelines including:
 - The check list for College-Bound Student Athletes (1) Register at www.eligibilitycenter.org (2) Communicate with your counselor to ensure that you are on track to graduate and meet the NCAA Core Course requirements.
 - Division I and II Eligibility Requirements (1) Core Cores Requirements (2) Test Score requirements (3) Grade-Point Average requirements.
- I realize that it is my responsibility as a prospective student athlete to register at the www.eligibilitycenter.org and seek additional assistance from my school counselor as needed.

Parent's Signature:	D	Date	

Walled Lake Central High School Code 233690 List of Approved Core Courses

Legal Disclaimer: The list of NCAA courses, and courses contained within, are maintained as a guide for prospective student-athletes seeking NCAA initial-eligibility. The list of approved courses does not, nor is intended to, signify accreditation, certification, approval or endorsement of any high school or specific courses by the NCAA or NCAA Eligibility Center and is subject to change at any time and without notice. Core course information is provided for guidance purposes only and should not be solely relied on as an indication of NCAA initial-eligibility. Certification of a prospective student-athlete is case-specific, and the Eligibility Center has the authority to determine in its sole discretion whether the prospective student-athlete has met all criteria.

Courses designated with a '=' symbol are courses that may be used only by students with a diagnosed disability. A course for a student with disabilities must be <u>exclusively</u> open to students with documented learning disabilities. The course must be quantitatively and qualitatively the same as the regular equivalent and there must be a standardized curriculum/syllabus.

NCAA legislation permits a student to receive credit for a core course only one time. As a result, if a student repeats a core course, the student will only receive credit once for the core course, and the highest grade earned in the course will be included in the calculation of the student's core course grade point average. Likewise, if a student completes a course that is duplicative in content with another core course, the student will only receive credit for one of the duplicative courses, and the course with the highest grade earned will be included in the calculation of the student's core course grade point average.

For a complete list of NCAA courses: visit www.eligibilitycenter.org and enter the site as an NCAA College-Bound Student-Athlete. Navigate to the "Resources" tab, click "U.S. Students" and then "List of NCAA Courses." Follow the prompts to search for your high school's list by name.

NCAA Eligibility Guidelines

Walled Lake Northern High School

Check list for College-Bound Student-Athletes

Register at the beginning of your junior year at www.eligibilitycenter.org

Ask your high school counselor to send your transcript to the NCAA Eligibility Center at the end of your junior year. Take the ACT or SAT and use the code "9999" to have your official scores sent directly to the NCAA Eligibility Center.

Check with your high school counselor to make sure you are on track to graduate on time with your class and have the required amount of core courses.

Request final amateurism certification during your senior year (beginning April 1).

Ask your high school counselor to submit your final transcript with proof of graduation.

Divisions I and II Initial-Eligibility Requirements

Core Courses

- NCAA Division I & II requires 16 core courses. See the charts below.
- For students enrolling on or after August 1, 2016, NCAA
 Division I will require 10 core courses to be completed
 prior to the seventh semester (seven of the 10 must be
 a combination of English, math or natural or physical
 science that meet the distribution requirements below).
 These 10 courses become "locked in" at the seventh
 semester and cannot be retaken for grade
 improvement
- Beginning August 1, 2018, to become a full or partial qualifier for Division II, all college-bound studentathletes must complete the 16 core-course requirement.
- Beginning August 1, 2016, it will be possible for a
 Division I college-bound student-athlete to still receive
 athletics aid and the ability to practice with the team if
 he or she fails to meet the 10 course requirement, but
 would not be able to compete.
- Visit the <u>www.eligibilitycenter.org</u> for addition information.

Test Scores

- Division I uses a sliding scale to match test scores and core grade-point averages (GPA). The sliding scale for those requirements is available at www.eligibilitycenter.org.
- Division II currently requires a minimum SAT score of 820 or an ACT sum score of 68. Beginning August 1, 2018, Division II will use a sliding scale to match test scores and core-course grade-point averages (GPA).
- The SAT score used for NCAA purposes includes only the critical reading and math sections. The writing section of the SAT is not used.
- The ACT score used for NCAA purposes is a sum of the following four sections: English, mathematics, reading and science
- When you register for the SAT or ACT, use the NCAA Eligibility Center code of 9999 to ensure all SAT and ACT scores are reported directly to the NCAA Eligibility Center from the testing agency. Test scores that appear on transcripts will not be used.

Grade-Point Average

- Be sure to look at your high school's List of NCAA Courses on the NCAA Eligibility Center's website (www.eligibilitycenter.org). Only courses that appear on your school's List of NCAA Courses will be used in the calculation of the core GPA. Use the list as a guide.
- Division I students enrolling full time before August 1, 2016, should use Sliding Scale A to determine eligibility to receive athletics aid, practice and competition during the first year.
- Division I uses a sliding scale to match test scores and core grade-point averages (GPA) (corresponding test-score requirements are listed on Sliding Scale B available at www.eligibilitycenter.org)
- The current Division II core GPA requirement is a minimum of 2.000. Division II core GPA required to be eligible for competition on or after August 1, 2018, is 2.200 (corresponding test-score requirements are listed on Sliding Scale B available at www.eligibilitycenter.org).
- Remember, the NCAA GPA is calculated using NCAA core courses only.

	DIVISION I 16 Core Courses		DIVISION II 16 Core Courses
4	years of English.	3	years of English.
3	years of mathematics (Algebra I or higher).	2	years of mathematics (Algebra I or higher).
2	years of natural/physical science (1 year of lab if offered	2	years of natural/physical science (1 year of lab if offered
	by high school).		by high school).
1	years of social science.	3	years of additional English, mathematics or
2	years of additional courses (from any area above,		natural/physical science.
4	foreign language or comparative religion/philosophy).	2	years of social science.
		4	years of additional courses (from any area above, foreign
			language or comparative religion/philosophy).

2020-21 NCAA Initial Eligibility Waiver

- As a student in Walled Lake Schools who plans to participate in collegiate sports, I understand and agree to abide by the rules and procedures indicated by the NCAA Eligibility Center.
- I have read and understood the NCAA Eligibility Guidelines including:
 - The check list for College-Bound Student Athletes (1) Register at www.eligibilitycenter.org (2) Communicate with your counselor to ensure that you are on track to graduate and meet the NCAA Core Course requirements.
 - Division I and II Eligibility Requirements (1) Core Cores Requirements (2) Test Score requirements (3) Grade-Point Average requirements.
- I realize that it is my responsibility as a prospective student athlete to register at the www.eligibilitycenter.org and seek additional assistance from my school counselor as needed.

Walled Lake Northern High School Code 230689 List of Approved Core Courses

<u>Legal Disclaimer:</u> The list of NCAA courses, and courses contained within, are maintained as a guide for prospective student-athletes seeking NCAA initial-eligibility. The list of approved courses does not, nor is intended to, signify accreditation, certification, approval or endorsement of any high school or specific courses by the NCAA or NCAA Eligibility Center and is subject to change at any time and without notice. Core course information is provided for guidance purposes only and should not be solely relied on as an indication of NCAA initial-eligibility. Certification of a prospective student-athlete is case-specific, and the Eligibility Center has the authority to determine in its sole discretion whether the prospective student-athlete has met all criteria.

Courses designated with a '=' symbol are courses that may be used only by students with a diagnosed disability. A course for a student with disabilities must be <u>exclusively</u> open to students with documented learning disabilities. The course must be quantitatively and qualitatively the same as the regular equivalent and there must be a standardized curriculum/syllabus.

NCAA legislation permits a student to receive credit for a core course only one time. As a result, if a student repeats a core course, the student will only receive credit once for the core course, and the highest grade earned in the course will be included in the calculation of the student's core course grade point average. Likewise, if a student completes a course that is duplicative in content with another core course, the student will only receive credit for one of the duplicative courses, and the course with the highest grade earned will be included in the calculation of the student's core course grade point average.

For a complete list of NCAA courses: visit www.eligibilitycenter.org and enter the site as an NCAA College-Bound Student-Athlete. Navigate to the "Resources" tab, click "U.S. Students" and then "List of NCAA Courses." Follow the prompts to search for your high school's list by name.

NCAA Eligibility Guidelines

Walled Lake Western High School

Check list for College-Bound Student-Athletes

Register at the beginning of your junior year at www.eliqibilitycenter.org

Ask your high school counselor to send your transcript to the NCAA Eligibility Center at the end of your junior year.

Take the ACT or SAT and use the code "9999" to have your official scores sent directly to the NCAA Eligibility Center.

Check with your high school counselor to make sure you are on track to graduate on time with your class and have the required amount of core courses.

Request final amateurism certification during your senior year (beginning April 1).

Ask your high school counselor to submit your final transcript with proof of graduation.

Divisions I and II Initial-Eligibility Requirements

Core Courses

- NCAA Division I & II requires 16 core courses. See the charts below.
- For students enrolling on or after August 1, 2016, NCAA
 Division I will require 10 core courses to be completed
 prior to the seventh semester (seven of the 10 must be
 a combination of English, math or natural or physical
 science that meet the distribution requirements below).
 These 10 courses become "locked in" at the seventh
 semester and cannot be retaken for grade
 improvement.
- Beginning August 1, 2018, to become a full or partial qualifier for Division II, all college-bound studentathletes must complete the 16 core-course requirement.
- Beginning August 1, 2016, it will be possible for a
 Division I college-bound student-athlete to still receive
 athletics aid and the ability to practice with the team if
 he or she fails to meet the 10 course requirement, but
 would not be able to compete.
- Visit the <u>www.eligibilitycenter.org</u> for addition information.

Test Scores

- Division I uses a sliding scale to match test scores and core grade-point averages (GPA). The sliding scale for those requirements is available at www.eligibilitycenter.org.
- Division II currently requires a minimum SAT score of 820 or an ACT sum score of 68. Beginning August 1, 2018, Division II will use a sliding scale to match test scores and core-course grade-point averages (GPA).
- The SAT score used for NCAA purposes includes only the critical reading and math sections. The writing section of the SAT is not used.
- The ACT score used for NCAA purposes is a sum of the following four sections: English, mathematics, reading and science
- When you register for the SAT or ACT, use the NCAA Eligibility Center code of 9999 to ensure all SAT and ACT scores are reported directly to the NCAA Eligibility Center from the testing agency. Test scores that appear on transcripts will not be used.

Grade-Point Average

- Be sure to look at your high school's List of NCAA Courses on the NCAA Eligibility Center's website (www.eligibilitycenter.org). Only courses that appear on your school's List of NCAA Courses will be used in the calculation of the core GPA. Use the list as a guide.
- Division I students enrolling full time before August 1, 2016, should use Sliding Scale A to determine eligibility to receive athletics aid, practice and competition during the first year.
- Division I uses a sliding scale to match test scores and core grade-point averages (GPA) (corresponding test-score requirements are listed on Sliding Scale B available at www.eliqibilitycenter.org)
- The current Division II core GPA requirement is a minimum of 2.000. Division II core GPA required to be eligible for competition on or after August 1, 2018, is 2.200 (corresponding test-score requirements are listed on Sliding Scale B available at www.eligibilitycenter.org).
- Remember, the NCAA GPA is calculated using NCAA core courses only.

2021-22 NCAA Initial Eligibility Waiver

- As a student in Walled Lake Schools who plans to participate in collegiate sports, I understand and agree to abide by the rules and procedures indicated by the NCAA Eligibility Center.
- I have read and understood the NCAA Eligibility Guidelines including:
 - The check list for College-Bound Student Athletes (1) Register at www.eligibilitycenter.org (2) Communicate with your counselor to ensure that you are on track to graduate and meet the NCAA Core Course requirements.
 - o **Division I and II Eligibility Requirements** (1) Core Cores Requirements (2) Test Score requirements (3) Grade-Point Average requirements.
- I realize that it is my responsibility as a prospective student athlete to register at the www.eligibilitycenter.org and seek additional assistance from my school counselor as needed.
