

HESSE HOTEL Celle

Welcome to the Hesse Hotel Celle,

We are pleased to welcome you to our Hesse Hotel Celle and wish you a warm welcome.

Our three star hotel with its 125 rooms is located on the edge of the historic old town of Celle. It is two kilometers to the historic city center.

The ducal town of Celle is known for its beautiful Castle. Surrounded by a lovingly designed castle garden, it is one of the most beautiful sights in the city. After a visit to the castle, the old town invites you to go shopping.

More than 450 restored half-timbered houses let you immerse yourself in the historical time of the past centuries. You can get one or the other souvenir in the many small shops, which are located in the half-timbered houses.

Many restaurants and cafés invite you to enjoy a drink or snack.

You can also get around Celle easily by bike. Also there is an access road to the Allerradweg in the immediate vicinity of the hotel.

Anyone who is looking for adventure should plan a visit to the numerous leisure and adventure parks such as Heide Park Soltau, Serengeti Park Hodenhagen or Hanover Zoo. These are all around located 25 to 60 km from the hotel.

We are also at your side as a competent partner for meetings and events. Our three conference rooms with a total area of 145 square meters offer space for up to 70 attendees.
